"Commercial Mobile Radio Service Emergency Telecommunications Board of Kentucky - Public Safety Answering Points:

Notwithstanding KRS 65.7631, not more than ten percent of the total monthly revenues deposited into the CMRS Fund shall be disbursed or reserved for disbursement by the CMRS Board to provide direct grants to Public Safety Answering Points (PSAPs) or matching money. The CMRS Board shall provide grants for the establishment and improvement of E911 services in the Commonwealth; for incentives to create more efficient delivery of E911 services by local governments; and for improvement of 911 infrastructure by wireless carriers. Notwithstanding KRS 65.7631(2) and (3), after the above ten percent and the disbursement in KRS 65.7631(1), 80 percent of the balance of funds deposited into the CMRS fund shall be distributed to PSAPs eligible to receive disbursement from the fund according to KRS 65.7631(2)(a) and (b) and the balance distributed pursuant to KRS 65.7631(3)."

"Commercial Mobile Radio Service Emergency Telecommunications Board of Kentucky - Enhanced Landline 911 Services:

Six million dollars of the state and local portion of funds distributed by the Kentucky Office of Homeland Security to qualified local and state entities shall be designated for use by the Commercial Mobile Radio Service Emergency Telecommunications Board of Kentucky in federal fiscal year 2006-2007 and federal fiscal year 2007-2008. BRANCH BUDGET

The State/Executive Branch Budget Bill continues services and statutory programs in fiscal biennium 2006-2008 based upon extending the reduced fiscal year 2005-2006 funding level as revised by the Governor's fiscal year 2005-2006 Budget Stability Initiative. This initiative is projected to contribute \$142,500,000 to the General Fund during fiscal year 2005-2006.

The State/Executive Branch Budget Bill, Part X, Phase I Tobacco Settlement, includes the following language provisions:

"Agricultural Development Initiatives: Fifty percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2006-2007, estimated to be \$44,312,500, and in fiscal year 2007-2008, estimated to be \$46,912,500, is appropriated to the Kentucky Agricultural Development Fund to be used for agricultural development initiatives."

"MSA Appropriation Adjustment: The Consensus Forecasting Group reduced the fiscal year 2005-2006 Phase I Master Settlement Agreement revenue forecast from the enacted estimate of \$108,600,000 to \$91,300,000, a reduction of \$17,300,000. The revenue estimate reduction was based on the high probability of an adjustment for nonparticipating manufacturers. To accommodate this reduction in estimated revenues, the following fiscal year 2005-2006 appropriations are hereby reduced in accordance with 2005 Ky. Acts ch. 173, Part X, (5)."

"Tobacco Settlement Funds - Allocations: Notwithstanding KRS 248.711(2), and from the allocation provided therein, counties that are allocated in excess of \$20,000 annually may provide up to four percent of the individual county allocation, not to exceed \$15,000 annually, to the county council in that county for administrative costs."

The State/Executive Branch Budget Bill, Part IV, State Salary/Compensation and Employment Policy addresses increments, retirement, health insurance, and personnel complement.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes language provisions that directs:

"Kentucky Agricultural Finance Corporation: Notwithstanding KRS 247.978(2), the total amount of principal which a qualified applicant may owe the Kentucky Agricultural Finance Corporation at any one time shall not exceed \$5,000,000."

This initiative is projected to contribute \$142,500,000 to the General Fund during fiscal year 2005-2006.

The State/Executive Branch Budget Bill, Part IV, State Salary/Compensation and Employment Policy addresses increments, retirement, health insurance, and personnel complement.

The State/Executive Branch Budget Bill, Part I, Operating Budget includes language provisions that direct:

"Auditor's Scholarships: Notwithstanding KRS 43.200, no funding is provided for Auditor's scholarships."

"Audit Services Contracts: No state agency shall enter into any contract with a nongovernmental entity for an audit unless the Auditor of Public Accounts has declined in writing to perform the audit or has failed to respond within 30 days of receipt of a written request. The agency requesting the audit shall furnish the Auditor of Public Accounts a comprehensive statement of the scope and nature of the proposed audit."

"Audit Records and Status Reports: The Auditor of Public Accounts shall report in writing each 60 days to the Interim Joint Committee on Appropriations and Revenue the progress of all state audits, together with copies of all completed audits. The Auditor of Public Accounts shall maintain a record of all time and expenses for each audit or investigation."

"Charges for Federal, State, and Local Audits: Any additional expense incurred by the Auditor of Public Accounts for auditing Federal Funds, when the audits are mandated by a cognizant federal audit agency, shall be charged to the audited agency when the costs may be charged against Federal Funds. The Auditor of Public Accounts may increase the audit fees for conducting county audits if additional revenues are needed to continue the operation of the office. The Auditor of Public Accounts shall maintain a record of all costs and expenditures associated with this provision.

Each quarter, the Auditor of Public Accounts shall notify the Finance and Administration Cabinet concerning the collection status of the fees charged for county audits. If a county government is delinquent in its payment to the Auditor of Public Accounts, the Finance and Administration Cabinet shall withhold any moneys due that county government for the term of 120 days or until the Auditor of

The "Single Audit Act of 1984" and the "Single Audit Act Amendments of 1996" (OMB Circular No. A-133) have changed the method by which federal moneys to state agencies are audited. As a result of this federal change, the Auditor of Public Accounts is budgeted to receive additional Agency Receipts which shall be allotted by the Governor's Office for Policy and Management for programs authorized in the enacted budget for the Auditor of Public Accounts by the 2006 General Assembly, subject to the conditions and procedures provided in this Act.

Any expenses incurred by the Auditor of Public Accounts for auditing a state or local government agency or other entity upon its request, or for performing an audit required by statute unless the audit is required by those standards governing the audit of the Commonwealth's Comprehensive Financial Report or the provisions contained in the "Single Audit Act of 1984" and the "Single Audit Act Amendments of 1996," shall be charged to the agency or entity audited.

Any expense incurred by the Auditor of Public Accounts for auditing individual governmental entities shall be charged to the agency receiving audit services when expenses are mutually agreed upon or when a legislatively mandated study by the Auditor of Public Accounts has determined the need for the audit."

HOUSE REPORT

The House concurs with the Branch with the following changes:

"State Agency Billing: The Secretary of the Finance and Administration Cabinet shall direct any state agency, as enumerated in KRS 12.020, to reimburse costs incurred by the Auditor of Public Accounts to perform such financial audits as the Auditor deems necessary under KRS 43.050(2)(a). Notwithstanding KRS 43.070(5) and 48.500, reimbursements due the Auditor of Public Accounts shall not be reduced or waived."

"Compensatory Leave Conversion to Sick Leave: If the Auditor of Public Accounts determines that internal budgetary pressures warrant further austerity measures, the State Auditor may institute a policy to suspend payment of 50 hour blocks of compensatory time for those auditors who have accumulated 240 hours of compensatory time and instead to convert those hours to sick leave."
